## Locating the documentation and software for Ethernet Routing Switch 3600

9035518  
May 2018

This document ships with the Extreme Networks Ethernet Routing Switch 3600 Series components.

Read the following documents before you install and configure ERS 3600 Series switches:

- *Installing Ethernet Routing Switch 3600 Series*
- *Installation Job Aid for Ethernet Routing Switch 3600 Series*
- *Regulatory Reference for Ethernet Routing Switch 3600 Series*
- *Release Notes for Ethernet Routing Switch 3600 Series*

If you purchased your product from Extreme Networks, use the following URLs:

Current documentation	<a href="http://www.extremenetworks.com/support/documentation">http://www.extremenetworks.com/support/documentation</a>
Software	<a href="https://extremeportal.force.com/">https://extremeportal.force.com/</a>
Copyright	<a href="http://www.extremenetworks.com/company/legal/">http://www.extremenetworks.com/company/legal/</a>
Open source information	<a href="http://www.extremenetworks.com/support/policies/software-licensing">http://www.extremenetworks.com/support/policies/software-licensing</a>

The Open Source license text for the ERS 3600 Series is included in the ERS 3600 Series product and is accessible through the Command Line Interface by typing the following: `more release/v.x.y.z.GA/release/oss-notice.txt` where v.x.y.z represents the release number.
