Verifying Fan Module and Power Supply Air Flow

1. Verify all the power supplies have been inserted properly.
2. Verify all the face plate screws are secure. (This is especially important for redundant Power Supplies.)

Selecting Power Cords

Extreme Networks switches do not provide any input power cords. To purchase the correct power cord for your specific country, refer to www.extremenetworks.com/products/powercords or contact your local supplier.

Initial Network Connection and Configuration

Managing your X620 with ExtremeCloud?

1. Connect back to the switch using the console port and connect an Ethernet cable to the switch.
2. Verify that the system LEDs are on (solid green or blinking green).
3. Log in to the switch using the console port and connect an Ethernet cable to the switch.

Connect Power to the Switch

Warning: Extreme Networks power supplies do not have switches for turning the unit on or off. DO NOT use the power cords to disconnect power (powering down). Make sure that all connections are secure before connecting power. Failure to use these connections properly could cause damage to the switch.

CAUTION: When connecting power, always connect the power cord to the switch first. If the AC or DC input has a terminal block, always connect the ground wire to the terminal block before connecting the switch to the power source. If the AC or DC input has a power receptacle, always connect the power cord to the receptacle before connecting the switch to the power source.

Specifications

Specifications: Temperature and Humidity

T°C to 50°C, (50°F to 122°F)
Storage Temperature:
-40°C to 70°C (-40°F to 158°F)
Humidity: 5% to 95% (non-condensing)

Power Specifications

- 300W DC power supply (Part # 17402)
- 100Mb/1Gb/10GBASE-X SFP+ ports
- 10/100/1000Base-T PoE+ ports
- Blank Panel
- Console/Management ports
- 300W AC power supply (Part # 17401)
- 300W AC power supply (Part # 17401)
- 300W DC power supply (Part # 17402)
- 300W DC power supply (Part # 17402)
- 100Mb/1Gb/10GBASE-X SFP+ ports
- 10/100/1000Base-T PoE+ ports
- Blank Panel
- Console/Management ports
- 300W AC power supply (Part # 17401)
- 300W DC power supply (Part # 17402)
- 300W DC power supply (Part # 17402)
- 100Mb/1Gb/10GBASE-X SFP+ ports
- 10/100/1000Base-T PoE+ ports
- Blank Panel
- Console/Management ports
- 300W AC power supply (Part # 17401)
- 300W DC power supply (Part # 17402)
- 300W DC power supply (Part # 17402)
- 100Mb/1Gb/10GBASE-X SFP+ ports
- 10/100/1000Base-T PoE+ ports
- Blank Panel
- Console/Management ports
- 300W AC power supply (Part # 17401)
- 300W DC power supply (Part # 17402)
- 300W DC power supply (Part # 17402)
- 100Mb/1Gb/10GBASE-X SFP+ ports
- 10/100/1000Base-T PoE+ ports
- Blank Panel
- Console/Management ports
- 300W AC power supply (Part # 17401)
- 300W DC power supply (Part # 17402)
- 300W DC power supply (Part # 17402)
- 100Mb/1Gb/10GBASE-X SFP+ ports
- 10/100/1000Base-T PoE+ ports
- Blank Panel
- Console/Management ports
- 300W AC power supply (Part # 17401)
- 300W DC power supply (Part # 17402)
- 300W DC power supply (Part # 17402)
- 100Mb/1Gb/10GBASE-X SFP+ ports
- 10/100/1000Base-T PoE+ ports
- Blank Panel
- Console/Management ports
- 300W AC power supply (Part # 17401)

- 300W AC power supply (Part # 17401)
- 300W DC power supply (Part # 17402)
- 300W DC power supply (Part # 17402)
WARNING: This is a Class A product. In a domestic environment this product may cause radio interference in which case the user may be required to take adequate measures.

Product Safety
This product complies with the following international safety standards:
- UL 60950-1 (3rd edition, 2014)
- EN 60950-1-10 (2009, A11, A12, A21, A22)
- IEC 60950-1-07, 2nd Ed. 2014-10
- CAN/CSA-C22.2 No. 60950-1-07 2nd Ed. 2014-10
- EN 55024 (ITE Immunity), EN 55022 (ITE Emissions), EN 61000-3-2 (Harmonics), EN 61000-3-3 (Flicker), 2014/30/EU (EMC Directive), EN 300 386 (Telecom), EN 55024 (BSS, Landline and ISP), EN 301 489-7 (Immunity), EN 301 489-3 (Emissions), EN 300 366-2 (Telecom), EN 301 489-1 (BSS, Landline and ISP), EN 301 489-10 (BSS, Landline and ISP), EN 301 489-6 (Emission), EN 301 489-3 (Immunity), EN 301 489-1 (Telecom), EN 301 489-1, EN 301 489-2, EN 301 489-3, EN 301 489-6, EN 301 489-10
- IEC 60825-1:2007, EN 60825-2:2004+A1+A2 or later, European Standard for optical apparatus and systems for the generation and transmission of photonic signals (except for industrial and medical systems)
- EN 60825-1:2007, EN 60825-2:2004+A1+A2 or later, European Standard for optical apparatus and systems for the generation and transmission of photonic signals (except for industrial and medical systems)
- CE mark in accordance with 2014/35/EU Low Voltage Directive
- CE mark in accordance with 2014/30/EU EMC Directive
- FCC 21 CFR Chapter 1, Sub-chapter J in accordance with FDA & CDRH requirements
- UL and/or CSA registered component for North America
- Class 1 or Class II Medical Product
- Application of CE Mark in accordance with 2014/30/EU EM Directive and 2014/30/UE Low Voltage Directive
- 47 CFR Part 15, Class A when installed into Extreme products

Korea EMC Statement (KCC)

이 기기는 업무용(분) 전자신호장치로서 판매자 또는 사용자는 이 절을 주의하셔야 하며, 가정외의 지역에서 사용하는 것을 목적으로 합니다.

Australia (RCM)

This is a Class A product. In a domestic environment this product may cause radio interference in which case the user may require to take adequate measures.

Electromagnetic Compatibility (EMC)

This product complies with the following: FCC 47 CFR Part 15 Subpart B Class A (US), ICES-003 (Canada), EN 55011 (TEMI), EN 55022 (Immunity), EN 55024 (Emissions), EN 61000-3-2 (Harmonics), EN 61000-3-3 (Flicker), 2014/30/EU (EMC Directive), EN 300 386 (Telecom), EN 55024 (BSS, Landline and ISP), EN 301 489-2 (Immunity), EN 301 489-3 (Emissions), EN 301 489-6 (Emission), EN 301 489-3 (Immunity), EN 301 489-1 (Telecom), EN 301 489-1, EN 301 489-2, EN 301 489-3, EN 301 489-6, EN 301 489-10

VCCI Notice

This is a Class A product based on the standard of the Voluntary Control Council for Interference (VCCI). If this equipment is used in a commercial environment, radio disturbance may arise. When this trouble occurs, the user may be required to take adequate measures.

BSMI EMC Statement – Taiwan

This is a Class A product. In a domestic environment this product may cause radio interference in which case the user may be required to take adequate measures.

Battery Warning – Taiwan

警告
若更換不正確之電池形式會有爆炸的風險。
請依製造商說明書處理過期之電池。

Hazardous Substances - China and Taiwan BSMI RoHS

Guidance concerning the China and Taiwan BSMI RoHS (Restriction of Hazardous Substances) directive for this Extreme Networks® product can be found at the following web page:

www.extremenetworks.com/support/documentation/hazardst/hazardous-substances

The page contains tables detailing the presence of 10 substances defined by the RoHS directive.

Hazardous Substances - EU

This product complies with the requirements of Directive 2012/19/EU of the European Parliament and of the Council of 4 July 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

Regulatory and Compliance Information

Federal Communications Commission (FCC) Notice

This device complies with part 15 of the FCC Rules. Operation is subject to the following conditions:
1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class A digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. Operation of this equipment in a residential area is likely to cause interference in which case the user will be required to correct the interference at his own expense.

Industry Canada Notice

ICES-003 (A)(MRP,51A)

Class A Notice

This digital apparatus does not exceed the Class A limits for radio noise emissions from digital apparatus set out in the Radio Interference Regulations of the Canadian Department of Communications. It is not recommended for use in a residential environment.

VCCA

This product contains a battery used to maintain product state when the power is off. For more information on Extreme Networks’ battery management and recycling procedures, please visit: www.extremenetworks.com/company/legal/trademarks/

Warranty

Warranty information for X620 series switches is located online at:

www.extremenetworks.com/warranty

Battery Warning — Taiwan

警告
若更換不正確之電池形式會有爆炸的風險。
請依製造商說明書處理過期之電池。

Battery Notice

Warning: This product contains a battery used to maintain product information. If the battery should need replacement it must be replaced by an authorized Extreme Networks service partner. Risk of explosion if battery is replaced by an incorrect type. Dispose of used batteries according to local disposal regulations.

Avertissement: Ce produit renferme une pile servant à conserver les informations à l’état. Le cas échéant, faites remplacer la pile par le personnel du service de réparation. Veuillez communiquer avec le service d’aide technique pour plus de détails.

European Waste Electrical and Electronic Equipment (WEEE) Notice

In accordance with Directive 2012/19/EU of the European Parliament on waste electrical and electronic equipment (WEEE):

1. The symbol above indicates that separate collection of electrical and electronic equipment is required.
2. This product must not be disposed of with unsorted municipal waste. It must be collected and treated separately.
3. It has been determined that the European Parliament that there are potential negative effects on the environment and human health as result of the presence of hazardous substances in electrical and electronic equipment.
4. It is the user’s responsibility to utilize the available collection system to ensure WEEE is properly treated.

For information about the available collection system, please contact Extreme Customer Support at +1-831-455-5500 (USA).
