

# Threat Protection System

## Snort Engine Update 206

### Release Summary

**Release Date:** 03-March-2009

**Purpose:** The Snort Engine Upgrade (SEU) 206 (previous SEU-205) applies to:

- 3D Sensor Version: 4.8 and 4.7
- Defense Center Version(s): 4.8 and 4.7

### **SEU Change Summary:**

Component	Change
Total new rules	19
Total rule modifications	236
Policy change	Yes
Online help change	No
Detection Engine change	No
User Interface change	No

**Note:** SEU packages are cumulative. The installation of prior SEU packages is not required before installing the current package.

**WARNING:** The time taken to install the latest SEU will depend on the last time the 3D System was updated with an SEU. Installing SEUs weekly can help lessen the installation time. Additionally, SEUs require 50 Megabytes of free space in /tmp and 150 Megabytes of free space in /var to install successfully.

### **Synopsis**

As a result of ongoing research, the Nortel Threat Protection System Team has added multiple rules to the web-activex, specific-threats and web-client rule sets to provide coverage for emerging threats from these technologies.

### **Details**

As a result of ongoing research, the Nortel Threat Protection System Team has added multiple rules to the web-activex, specific-threats and web-client rule sets to provide coverage for emerging threats from these technologies.

## **How to get help**

If you have purchased a Nortel service program, contact Nortel Technical Support. To obtain contact information online, go to [www.nortel.com](http://www.nortel.com), and then click on Technical Support.

From the Technical Support page, you can open a Customer Service Request online or find the telephone number for the nearest Technical Solutions Center. If you are not connected to the Internet, you can call 1-800-4 NORTEL (1-800-466-7835) to learn the telephone number for the nearest Technical Solutions Center.

An Express Routing Code (ERC) is available for many Nortel products and services. When you use an ERC, your call is routed to a technical support person who specializes in supporting that product or service. To locate an ERC for your product or service, go to <http://www.nortel.com/support>. Click on the link for Express Routing Codes located at the bottom-right corner of the Web page.
